# SW_transfer_station_wgs84
Shapefile

Tags
Solid Waste, Transfer Stations, City of Toronto

Summary
This file contains the 7 solid waste stations within the City of Toronto

Description

The data is a geospatial file that contains 7 points on a map. Each point represents the (x,y) location of where the Transfer Station is located. This data set is best utilized in a GIS soft ware package and overlaid with the street foundation geography.

Thedata was geocoded based on the address of each Transfer Station.

Credits
There are no credits for this item.

Use limitations
This data set is best utilized in a GIS soft ware package and overlaid with the street foundation geography
